Subject: RE: State of Florida vs. State of Georgia (U.S. Supreme Court No. 142, Original): Subpoena for Production of Documents to The Nature Conservancy

Ms. Dvoskin:

The Special Master has received your letter dated March 23, 2015, giving notice that the Nature Conservancy may request additional time to produce documents in response to a subpoena served by the State of Florida in *Florida v. Georgia*, No. 142 Original. The Nature Conservancy should provide further notice to the Special Master as soon as is feasible in the event it determines that full production will require more than 120 days from service of the subpoena. If necessary, a telephone conference will be convened at that time.

Thank you.
