Re: Subpoena for Production of Documents  
No. 142, Original  
In the United States Supreme Court  
State of Florida, Plaintiff v. State of Georgia, Defendant  
Before the Special Master  
The Honorable Ralph I. Lancaster  
Served on the City of Cleveland, Georgia, on March 13, 2015

Dear Sir:

The City of Cleveland, Georgia was served with the above referenced Subpoena for Production of Documents on Friday March 13, 2015.

In an effort to comply with the instructions contained therein, the City of Cleveland makes this response as to the ability of the City to complete the production of the documents set forth in said Subpoena within the 120-day period provided therein.

The City Clerk has begun the process of analyzing the Subpoena and determining what documents the City may have which fall within the classes of documents identified in said Subpoena. The City will attempt to produce the required documents within the required time period. The City of Cleveland, Georgia is the county seat town for White County, Georgia, and has a population of about 3,600 persons. The City Clerk's Office has a staff of three people. In the event that City of Cleveland concludes that it will be unable to fully comply within said 120-day period, the City may need to request an extension of time.

If you have any questions please contact me at the above address, or my e-mail at keeneatty@windstream.net.

Yours very truly,

  
K. Grant Keene  
City Attorney  
Cleveland, Georgia
