

**JUDICIAL COUNCIL OF THE
TENTH CIRCUIT**

IN RE: CHARGE OF JUDICIAL
MISCONDUCT

Nos. 10-08-90101 through
10-08-90103

**ORDER OF DISMISSAL
and
IMPOSITION OF FILING RESTRICTIONS**

Pursuant to the Rules for Judicial-Conduct and Judicial-Disability Proceedings, and 28 U.S.C. § 351 *et seq.*, the Judicial Council has reviewed the complainant's Petition for Review and hereby affirms the June 24, 2008 order of Chief Circuit Judge Robert H. Henry dismissing the captioned complaint of judicial misconduct. The Petition for Review is denied.

Further, upon review of complainant's response to the Order to Show Cause, the Judicial Council hereby imposes filing restrictions pursuant to Misconduct Rule 10(a). Complainant's claims in this matter are duplicative of claims asserted in an earlier misconduct complaint, and complainant provides no basis or reason for their continued consideration. The Judicial Council hereby prohibits complainant from filing further judicial misconduct complaints based on the same issues, claims, and allegations as set out in previous complaints, namely, complainant's allegations of tampering with the composition of federal and state grand juries in connection with complainant's underlying conviction and related claims of conspiracy on the part of

federal judges and others. Subsequent misconduct complaints based on the same issues, claims, and allegations as set out in previous matters will be returned to complainant unfiled.

The Circuit Executive is hereby directed to sign, enter and distribute this Order to all parties as Secretary to the Judicial Council.

The dismissal of the complaint is hereby **AFFIRMED**.
